

Easy PDF to FlipBook Pro Mac

Powerful FlipBook Maker

User Documentation

Note: This product is distributed on a ‘try-before-you-buy’ basis. All features described in this documentation are enabled. The registered version does not insert a watermark in your generated PDF documents.

1 About Easy PDF to FlipBook Pro Mac

Do you want to make a life-like page turning book out of the boring PDF, just as if turning pages of a printed book? Easy PDF to FlipBook Pro Mac will definitely be your great assistant. In addition, with this flip book publisher, you can decorate the digital flipping book with beautiful template and rich multimedia.

Compatible and easy to operate

Easy PDF to FlipBook Pro Mac can be compatible with Mac OS, Mac OS X Leopard, Mac OS X Snow Leopard and Mac OS X Lion. It is easy to operate and it just takes three steps to output flipbook: Import PDF—Edit pages with multimedia—Customize on selected template—Select output format to output flip book.

Insert internal and external links

Easy PDF to FlipBook Pro Mac allows you to insert **internal and external links** to the page turn book. Add **page links** between flipping pages or within table of contents to help readers view the page they want; insert **web links** to go to related sites to help readers get more information; add **e-mail link** to help readers contact you for help or further information with convenience.

Embed multimedia

Easy PDF to FlipBook Pro Mac enables you to embed **rich multimedia** to the flipping book. You can add **video, flash, audio, image or even YouTube video**. The application of multimedia will surely help enhance your publication's performance and help attract more readers.

Add printable area

Easy PDF to FlipBook Pro Mac can help you draw more visitors to your appealing flip book in another way—enable you to add **printable area** that your visitors can **print out as coupons**.

10+ languages to make language switchable

Easy PDF to FlipBook Pro Mac provides you with **multiple international languages**: Arabic, Chinese, English, French, German, Greek, Hebrew, Italian, Japanese and Portuguese. You can choose one as the default language for the flip book or you can use two or more languages so as to **make languages switchable**.

Multiple templates to choose

In order to make your page turning book more attractive, Easy PDF to FlipBook Pro Mac offers you **different kinds of pre-designed templates** to decorate your flip book: Classical, Float and Spread. Each template contains various themes that of **different color and style**.

Powerful custom settings

With this page flip software, you can customize the flash page turn book based on the template with **rich configurable settings**: select background image, sound and color; add identified logo and book title; choose font type and font color; define toolbar style or choose color for icons and buttons; select flash language, etc.

Output flip book in optional forms

Easy PDF to FlipBook Pro Mac will enable you to publish flip book in optional forms: **HTML, App (executable application for Mac) and mobile version**. Make HTML flipbook to view online. Publish Mac flip book in App form that can run on Mac. Publish mobile version to read on iPad, iPhone and Android mobile devices.
