1 About Easy PDF to FlipBook Pro

Easy PDF to FlipBook Pro is an amazing 3D page flip program. This flip book making software will help you convert PDF to **page turn animation book**. What's more, this flip book maker provides a powerful function—"**Edit Pages**", which allows you to add links and multimedia to the flip book.

Insert internal and external links

In order to improve user experience, Easy PDF to FlipBook Pro allows you to insert **internal and external links** to the page turn book. Add **page links** between flipping pages or within table of contents to help readers view the page they want; insert **web links** to go to related sites to help readers get more information; add **e-mail link** to help readers contact you for help or further information with convenience.

Embed multimedia

Easy PDF to FlipBook Pro enables you to embed **rich multimedia** to the flipping book. You can add **video, flash, audio, image or even YouTube video**. The application of multimedia will surely help enhance your publication's performance and help attract more readers.

Add printable area

Easy PDF to FlipBook Pro can help you draw more visitors to your appealing flip book in another way—enable you to add **printable area** that your visitors can **print out as coupons**.

10+ languages to make language switchable

Easy PDF to FlipBook Pro provides you with **multiple international languages**: Arabic, Chinese, English, French, German, Greek, Hebrew, Italian, Japanese and Portuguese. You can choose one as the default language for the flip book or you can use two or more languages so as to **make languages switchable**.

Multiple templates to choose

In order to make your page turning book more attractive, Easy PDF to FlipBook Pro offers you **different kinds of pre-designed templates** to decorate your flip book: Classical, Float, Neat and Spread. Each template contains various themes that of **different color and style**.

Powerful custom settings

With this page flip software, you can customize the flash page turn book based on the template with **rich configurable settings**: select background image, sound and color; add identified logo and book title; choose font type and font color; define toolbar style or choose color for icons and buttons; select flash language, etc.

Optional output formats

Easy PDF to FlipBook Pro will enable you to publish flipping book in selectable forms: **HTML, ZIP, EXE, App, mobile version or even burn to CD**.

- Publish HTML to turn it into a webpage for online reading;
- Output flipbook in EXE as a standalone file for storing;
- Make a ZIP file to send to others with ease;
- Create App flip book that can run on Mac devices;
- Make mobile version to view on iPad, iPhone, Android phones;
- Burn it to CD to play on computer.
